

WELCOME TO DOLLY'S DAYCARE!

We would like to take this opportunity to thank you for choosing Dolly's Daycare.

This prospectus contains information that will help your family settle into our Daycare as smoothly as possible.

At Dolly's Daycare, we believe in providing a nurturing and stimulating environment where children can learn, grow, and play. Our dedicated team of caregivers are committed to ensuring that every child feels safe, valued, and supported as they embark on their journey of discovery and development.

WHAT WE DO

At Dolly's Daycare, we understand the importance of early childhood experiences in shaping a child's future. That's why we offer a comprehensive curriculum that is both engaging and developmentally appropriate. We also provide a learning journal and welcome your contributions too! Through a blend of structured activities and free play, we aim to foster children's cognitive, social, emotional, and physical growth.

Our experienced nursery teachers create a supportive learning environment where children are encouraged to explore their interests, express themselves creatively, and build positive relationships with their peers. We believe in the power of hands-on learning experiences and incorporate a variety of age-appropriate activities, including art, music, storytelling, sensory play, and outdoor exploration.

We prepare your child for primary school through games and play following the Government's statutory framework for Early Years Foundation Stage (EYFS) which sets the standards for learning, development and care for children from birth to five.
