

JANUARY 2025

NEWSLETTER

Welcome Back to a New Year at DOLLY'S DAY CARE

We're excited to kick off another wonderful year of learning and fun!

Chinese New Year Celebrations

The children had a fantastic time celebrating Chinese New Year! They enjoyed tasting noodles and prawn crackers, and some even wore their traditional Chinese outfits—it was lovely to see them taking part!

Spare Clothes Reminder

Please ensure your child has a spare set of clothes at nursery, and don't forget to label them with their name.

Family Tree Photos

The children love looking at and discussing their family tree photos with friends and staff. If you haven't already, please send in a photo to add to our display!

School Readiness: Toilet Training

If your child is starting school in September, toilet training is essential. We are happy to support you, but we ask that you begin practicing at home first.

Please provide plenty of underwear and easy-to-pull-up trousers to help your child develop independence.

Attendance Policy for Funded Children

If your child receives funded nursery hours, please remember that it is a requirement to inform us if they will be absent—regardless of the reason, even for a duvet day!

17 Now Taking Bookings for September 2026 & 2027!

Due to new funding policies, nursery places are filling up quickly. If you know someone who has recently had a baby, let them know to secure their spot early.

Lunchbox Guidelines

A gentle reminder that popcorn and peanut butter (including some chocolate spreads containing nuts) are not allowed due to allergies.

Asthma Care Plans

If your child has asthma, please inform us so we can provide you with a care plan to complete.

17 Important Dates

- Half-term break: February 17th (1 week)
- New Fees from September 2025: £8.70 per hour for extra hours

Thank you for your continued support! If you have any questions, feel free to reach out.
